MEMORANDUM FOR: Mr. John Greaney  
Associate General Counsel

SUBJECT : Draft Submission to the Counsel  
to the President

1. Per our 23 April conversation, I think it would be a great error to make any submission to the Counsel to the President broken out by Directorate. If at all possible, we should avoid having any mode of internal structure or organization enshrined in statute or Executive Order. This approach would impart a rigidity that could severely hamper the ability of this DCI or his successor(s) to make internal reorganizations as dictated by changing needs, circumstances, etc.

2. With this thought in mind, attached is a rough cut at listing the Agency's overall functions by functional category without any reference to internal organization or the assignment of internal responsibilities.
